**5. Remind me what I'm fundraising for, again?**

The McGrath Foundation! The McGrath Foundation makes life that little bit easier for families experiencing breast cancer.

We do this by raising funds to place specialist McGrath Breast Care Nurses in communities across Australia, and by making breast health a priority; supporting thousands of women and men every day, no matter where they live – for free.

Thanks for registering to host a Pull On Your Socks Fundraiser event. We really couldn't do what we do without you.
